

This accelerated bachelor's/master's degree program gives undergraduate students the flexibility of taking graduate courses in their senior year and sharing up to 12 credits between both their BS Dietetics degree and MS Nutritional Science degree. Students are able to complete a Master's degree in one additional year of study.

**Requirements:** Students must have completed a minimum of 75 credits towards their BS degree, have a 3.0 or higher cumulative GPA, have completed NTR 341, and have the following courses completed or in progress: anatomy and physiology, biochemistry, general nutrition for majors, and statistics.
